Dear Parents & Carers,

Friday 11th March 2022

Parents Evening FAQs

Thank you for meeting with us this week to discuss your child's progress. We would like to answer some queries which were raised with us this week.

Reading (Reception – Year 2): Please read with your child as often as you can - every night if possible. Record what your child has read in their reading record. If your child has finished their book or would like to read a book from home, please record this too.

Number Club (Year 1 and 2): Number club is tested each Monday. Children have three minutes to answer all of the times tables on their 'club'. If your child gets every answer right, they will be sent the next 'club' to work on. If your child doesn't pass they will be sent the test home along with a blank copy, so you can see where they have made mistakes and to keep practicing.

Word Wizard Words (Year 1 and 2): Word wizard words are tailored specifically to your child. Your child is expected to be able to use these words in their writing on a Friday. Children should be encouraged to read and learn to spell the words so they are able to write them independently. New words will be introduced over the term.

Homework (Reception – Year 2): Homework is sent home on a Friday for all infant children and should be returned by the following Wednesday, at the latest.

Tapestry (Reception): If your child is in Reception, please use your login details to access Tapestry and see the adventures your child has had at school. We love to read your comments too!

If you have any questions, please always ask. Thank you for your continued support.

The Infant team
